PROFILE

I am a hardworking, reliable individual who has a positive outlook and is keen to learn new skills and to challenge myself, I have recently taken part in a University exchange in India which has enabled me to develop my interpersonal skills. I can work both confidently independently and as part of a team.

CHRIST UNIVERSITY

JULY – AUGUST 2026

During this time, I undertook a cultural exchange to Christ University Central Campus in Bangalore, India.

Throughout the course we studied Social Outreach and volunteerism, Indian literature, philosophy and language along with rural exposure. This experience helped me develop my cross-cultural communication skills and strengthened my adaptability in unfamiliar environments.

WORK EXPERIENCE

FIFTEENS – FRONT OF HOUSE ASSISTANT

FEB 25 – NOV 25

The position I fulfil at Fifteens is a highly customer focussed role which involves a number of different elements aimed at achieving excellent customer satisfaction, personal development and supporting the business to realise its aspirations to continually improve. Since becoming a member of the team, I have proved myself to be team player and demonstrated my self-motivation.

I work collaboratively with team members from other departments to develop and maintain a cohesive team capable of delivering high standards efficiently in a highly demanding and fast-moving environment. I am also empowered by my line manger to address queries and resolve customer issues and find resolutions that support the business and delivers customer satisfaction.

I am open to new experiences, positive in engaging with change and actively seek out development opportunities. This supports my own development but is an integral aspect of helping the business maintain high standards and continue to improve.

THE WHITE LION – FRONT OF HOUSE ASSISTANT

JUL 24 – FEB 25

At The White Lion my role was primarily customer facing working both individually and as a part of a team. During my shift would encompass waiting on the tables, taking orders and payments, delivering food and drink and ensuring the customers receive the best customer service.

MERSEYSIDE FIRE AND RESCUE SERVICE

MAR 22 – MAR 28, 2024

Recently, I undertook work experience in the Protection Department within Merseyside Fire & Rescue Service. The overarching aim of this department is to ensure members of the public are safeguarded from fire by ensuring business owners meet their legislative obligations and taking action where fire safety standards are not met. During my work experience I was involved in many areas of work including conducting a fire safety audit. To enable me to contribute positively, I had to absorb a lot of information regarding fire safety standards and apply them to a variety of buildings, this required each building to be considered holistically to assess the risk posed to occupants and required good observation skills. I used efficient communication to support the Fire Safety Inspector in ensuring business owners understood what work was required to meet compliance and why it must be done. Throughout this, I remained professional and demonstrate the values of the Service – courage, compassion and integrity. Along with attending a Fire Safety Inspection I took responsibility for Data Cleansing a number of premises – I was given a number of premises to investigate as to what they are operating as; I was able to manage my own time and recorded my findings on the computer system.

3 PEAKS CHALLENGE

JUNE 2023

I completed the 3 peaks challenge within a team of 10, where we all had to work together on organizing, advertising and partaking in the actual climb. for this I showed excellent communication and teamworking skills not only to help the team to complete the hikes in under 24 hours, but to also help raise over £3000 for charity.
